Carrboro, NC 27510

Dear Ms. Williamson:

The Chapel Hill Town Council is recruiting volunteers for the Morgan Creek Trail Conceptual Plan Committee. The purpose of this Committee is to work with the North Carolina Department of Transportation and the Town to participate in the planning and design of a 10-foot wide asphalt and/or concrete multi-use path from Culbreth Road to Smith Level Road, with additional access to the Merritt Pasture. The creation of this committee allows for citizens, nearby residents and property owners and neighboring jurisdictions to participate in the planning process. We would like for your organization to appoint someone to participate on this committee.

We are asking that the Board of Aldermen identify a member to serve on this committee, and forward the recommended participant's name to the Town Clerk's Office. The Council will finalize the appointments to this committee in October of 2002.

Sincerely,

Joyce A. Smith
Town Clerk
