<b>ATTACHMENTS: A: Resolution B. Technology Plan For The Town of Carrboro: Limited Scope</b>	<b>FOR INFORMATION CONTACT: Andrew Vogel, IT Manager, 918-7305 Bing Roenigk, Asst. Town Manager, 918-7300</b>

### PURPOSE

The Board of Aldermen's FY02-03 Adopted Action Agenda requested town staff to prepare a technology report with plans for future improvements in communication and technology infrastructure. The purpose of this item is to hold a work session to discuss the technology plan prepared by town staff.

### INFORMATION

The technology plan attempts to identify obtainable short-term technology goals (2-3 year time frame) for the organization. The major areas of focus are training, sustaining and maintaining the current technical infrastructure investment, and improvement of the various business processes through the application of technology and implementation of new technologies.

### ADMINISTRATION'S RECOMMENDATION

The Board is requested to review and discuss the technology plan and to identify any priorities for the use and expansion of technology services. Staff recommends that the Board of Aldermen determine whether further action is needed on these matters. A resolution that can specify further direction, if desired, is provided (Attachment A).
