RE: Board of Adjustment - Member Re-Appointments

Dear Sarah,

In response to your recent request for a written recommendation on re-appointments to the Carrboro Board of Adjustment, I have reviewed the "Guidelines for Selecting Advisory Board and Commission Members" and offer the following comments.

Christine Ellestad

Christine has served two terms on the Board, and has not requested reappointment.

Paul Israelson

Paul has completed his first term on the Board and has requested reappointment. I recommend that the Board of Aldermen appoint him for a second term.

David Collins

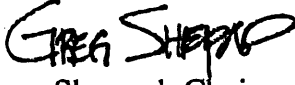

David has served two terms on the Board and has requested reappointment. In accordance with the guidelines, he is not eligible for reappointment at this time. However, he may apply for reappointment after a period of one year. I recommend that the Board of Aldermen not appoint him at this time.

Richard Ellington

Richard served several terms on the Board in the past, and has been off the Board for a period of one year. In accordance with the guidelines, he is eligible for reappointment at this time. I recommend that the Board of Aldermen appoint him to a new term.

Please forward these recommendations to the Board of Aldermen. Would you please inform me when this item will be on their agenda? I would like to be present if they have any specific questions.

Sincerely,

Greg Shepard, Chair
Board of Adjustment

Hi Sarah,

After reviewing all the applicants, applications and the Guidelines. I would like to recommend Jack Haggerty for the post. He states that the Planning Board is his first choice. He has interests that are along the interests of the Planning Board, ie: Appearance Commission, Downtown Parking Task Force and the Vernacular Architectural Viewpoint Committee. I have certain reservations as he is an architect and may have too fine an interest. However, if he abides by the interests of the Planning Board, I can see him as a real asset.

Again sorry I have been so tardy. I have not received this sort of interest in my views before. Guess it comes as Vice-Chair.

Thanks for your kindness and patience dealing with me.
Susan Poulton

Hi Sarah,

With great apology I send in my recommendations for the appointment of the 5 board members. I am very sorry that John will not be rejoining us on the Planning Board. Rob Hogan has been a valued voice for the individual landowner in the area. Please accept my total endorsement of Rob. The other member I do not know personally, though by their applications and the very act of applying have shown a commitment to Carrboro. Please accept my endorsement of them also.

Thanks so much for your time and energy keeping us on task.

To Whom It May Concern:

As chair of the Carrboro Transportation Advisory Board, I am pleased to reappoint Andreas Hay to a second term of service with our board

Andreas has demonstrated a keen interest in transportation issues, particularly bicycling issues and the impact of the transportation choices on neighborhoods. He has brought fresh ideas to the board, and through his work on the sidewalk plan has demonstrated his willingness to participate in our board.

I therefore recommend his reappointment to the Transportation Advisory Board.

Sincerely,

Chris van Hasselt

Good Morning Sarah,

Getting in touch with you was on my to-do-list for this morning.

Carolyn came to our last meeting and the two of us have had conversations since then. She seems to be a very good match for the commission so I recommend that she be appointed. I also recommend that both Emile and Boyd be reappointed, and me of course.

Have a good day.

Sarah -

It is my pleasure to recommend the reappointment of Micheal Mathews to the Environmental Advisory Board for a final two year term. Mike has brought energy, enthusiasm, and a good common sense approach to the issues upon which the Board of Alderman have asked us to advise them.

We do hope that he is both interested and available for reappointment.

Re: Recommendation for Appointments to Downtown Development Commission

The Downtown Development Commission received five (5) applications for memberships on the DDC. All five applicants were invited to attend a meeting with the sitting members as well as receiving the list of responsibilities for the commission from the Board of Aldermen. The Co-chairs met and interviewed the applicants.

After interviewing the applicants the following recommendations are being made to the Board of Aldermen for appointment to the commission. Jefferson Parker a resident of the downtown and Nathan Millian the manager of Carr Mill Mall are recommended for appointment at this time.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: In my professional experience, I've had the opportunity to work with volunteer boards in the nonprofit and business communities. I've facilitated many meetings and made numerous presentations on behalf of the organizations that I represented. While working at the Interfaith Council, I helped plan and coordinate successful events such as RSVVP and CROPWALK. I'm a quick learner and very detail-oriented; once I commit to a project, I give it my all. Moreover, I am a team player and recognize the value of collaboration.

REASON(S) YOU WISH TO BE APPOINTED: My wife and I recently purchased our first home in Carrboro because of the town's strong commitment to quality of life issues. Having lived in Washington, DC for four years before moving here, I appreciate Carrboro's walkable downtown and overall friendly atmosphere. During my time at the IFC, I experienced firsthand the dedication of downtown business owners and their desire to support the community. I recognize the importance of continued downtown development for our town's economic future

and overall wellbeing, because you cannot separate the two. As a newer resident, I want to be appointed to the Downtown Development Commission to bring my perspective and enthusiasm to help preserve what makes Carrboro so special as it continues to grow and prosper.
