PURPOSE

The Zoning Division of the Town of Carrboro is responsible for preparing a monthly report outlining the construction activities of various projects of interest within the Town of Carrboro's jurisdiction. The report for the period of July 16, 2003 through August 15, 2003 is attached. Staff requests the Board of Aldermen review the report and, if any questions arise, please either contact the Development Review Administrator or bring your questions to the Board of Aldermen meeting. If the questions cannot be answered during the meeting, staff will research the issue and provide the answer either at a subsequent meeting or in a subsequent report.

***Please note:** Minor formatting changes to the report are ongoing (to further improve structure and readability). The projects are now presented in alphabetical order within each project category type so that it is easier to locate a specific project (i.e.: Proposed Residential, Approved Residential, Proposed Mixed Use, etc).

If you have any questions, please feel free to contact Marty Roupe at the number posted above.
