**PURPOSE**

Town staff has prepared amendments to the Town Code for the speed limit on portions of Main Street, Hillsborough Road, Old Fayetteville Road, and North Greensboro Street. The town staff recommends that the Board of Aldermen adopt the ordinance amending the Town Code.

**INFORMATION**

The Town Code designates speed limits within Carrboro. The N.C. Department of Transportation recently contacted the Town and requested that modifications be made to several speed limit references in the Town Code.

The requested modifications will not affect the posted speed limits in the listed areas; instead, the changes have been requested to correct or augment the street references in the Town Code. For instance, secondary road numbers have been added or corrected.

Once the Town Code is updated, a concurring ordinance will be adopted by the N.C. Board of Transportation.
