EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I earned a masters degree in Early Childhood Education from Bank Street College in NY, and have been a pre-school teacher for 7 years. I am currently the Teacher-Director at the Children's Cooperative Playschool in Chapel Hill.

REASON(S) YOU WISH TO BE APPOINTED: I feel strongly that the town of Carrboro has a great need for more child care, especially for town employees. There is clearly a need, with an increasing number of families with young children in the area, and there is a shockingly limited number of options within Carrboro. I have heard from many residents that they would like to see more child care, and more affordable options within Carrboro. I would like to help find a way to make this a reality.

Dear Childcare Operator:

The Carrboro Board of Aldermen has established a Childcare Study Committee. This committee has been charged with gathering information and preparing a report to the Board of Aldermen regarding the following issues: 1) planning and zoning treatment of childcare facilities; 2) revenue neutral steps that the Town of Carrboro can take to increase childcare options; and 3) opportunities for improving working conditions for childcare workers.

I am writing to invite you to apply to serve on this committee. I am enclosing an application in the event that you would be interested in serving.

We are collecting applications at this time and would like to request that the Board of Aldermen make the appointments to the committee in early September. Therefore, if you are interested in serving, please complete the enclosed application and return it to my office by the end of August.

I look forward to hearing from you.

Sincerely,

Sarah C. Williamson
Town Clerk
