Subject: Recommending Terri Buckner to the EAB.

Sarah-

I would like to formally recommend that Terri Buckner be appointed to fill one of the two unfilled spots on the Environmental Advisory Board. We met with Terri at our August meeting and found her to be eager to work on issues such as waste disposal and site design. She already serves on a board with the town of Chapel Hill, but we feel her work on that board would only complement the work on this board. Also, since she lives outside of Carrboro but inside our planning district, we look forward to her unique viewpoint on growth issues.

Sincerely,

Rickie White
Chair, EAB
