Sorry for the delay.

I recommend re appointing Stan Babiss, Randee Haven-O'Donnell, and Susan Poulton. I also want to recommend appointing James Stewart, Jr. I have been unsuccessful in contacting him, so I am not absolutely sure he wants to do this. I hope to be able to confirm this later today. I will even drive over to his house tonight if necessary, as I cannot get through on his phone.

Thanks  
John Marshall

Sarah,

I am sorry to be so long getting back to you. I have been sick for a little over a week now and not doing much communicating. Several of the applicants that you sent me are planning to come to our March and April meetings provided that they are not appointed to their first choices. One guy has us as his first choice and that is good. I will just have to wait and see. In talking with them a I am hoping for the best.

I am recommending reappointment for Marrienne. I assume that you did not hear from Gordan. He was unsure the last time I talked with him. Have you gotten an application for Florence Siman? She told me that she was interested in being a part of the commission.

**Remarks:** I recently moved to Carrboro from NYC so that my wife could begin a PhD program at Chapel Hill. We decided on Chapel Hill, in part, because of the unique character on the area. As such I would like to do my part to preserve and enhance the distinctive qualities of Chapel Hill. I believe strongly in the need to strike the appropriate balance between development and preservation. While I strongly disagree with those who view development as inherently detrimental, I would also oppose developers whose plans did not enhance the appeal of our community. I feel that I am uniquely qualified in this realm. For the last five years I have been on the board of directors for one of the largest real estate developments that have affected the town in which I grew up. I am very proud of the work we have done to preserve the small town.

nature of the area in which we have operated while at the same time adding higher value, large home sites with tasteful homes. Overall, our efforts have improved real estate values, aesthetics and the tax base of the town. I believe that I could use my experience to benefit the town of Chapel Hill and the broader community. Thank you for your consideration. STAFF COMMENTS: Originally applied for the Chapel Hill Planning Board and the Housing and Community Development Advisory Boards in Chapel Hill. EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I ride my bike or take the bus daily, through downtown, and I spend a lot of my time and money right in downtown Carrboro. I feel pretty in tune with the transportation concerns around town. Although I'm new town, I do read the papers regularly and keep up with local issues. And perhaps my fresh perspective will be beneficial. Additionally, before returning to grad school, I worked in a business setting for several years and can offer a diligent, thoughtful, cooperative approach to the important issues facing Carrboro.

REASON(S) YOU WISH TO BE APPOINTED: Although I am new to Carrboro, I did live previously in Chapel Hill for about six years, in the early to mid 90s. When I moved back to the area this summer, we specifically chose to live in Carrboro (and bought a house here) because it's such a great town. I am glad to volunteer my time to serve the town: I love Carrboro and would like to help it become an even better place. I'm a strong believer in public transportation and viable downtowns.
