You shall not be considered for appointment to another board unless you resign before filing an application or you are in the last six months of your current term.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I recently graduated from Wake Forest University with a degree in Biology. During my time in college I took a variety of classes, but courses such as ecology and conservation biology would be most useful to me in serving on the Environmental Advisory Board. I also spent a summer in Raleigh interning with the North Carolina Sierra Club's environmental lobby. During my internship I became familiar with the environmental issues facing our area and was actively involved in the Sierra Club's efforts in the state legislature.

REASON(S) YOU WISH TO BE APPOINTED: Now that I have graduated from college, I have more time to devote myself to the issues that are important to me as well as to the Carrboro community. I feel strongly that responsible environmental decisions must be made at all levels of government, and I want to do my part to educate others about environmental policy issues that affect them as well as furthering my own knowledge and experience.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: _____

REASON(S) YOU WISH TO BE APPOINTED: From the first time I visited Carrboro about six years ago, I was very impressed. When I moved to the area a year ago, it was my desire to live in Carrboro in an area that was in walking distance to the downtown area. Nothing was available when I initially looked. However, as soon as my wife and I found our current residence, we quickly decided that we found our home. I do not just want to be a resident - I want to be a resident who contributes to the Carrboro community.

HAVE YOU EVER SERVED ON ANY TOWN OF CARRBORO ADVISORY BOARD? IF "YES", WHICH ONE(S) No

Subject: EAB new member recommendations

Ms. Williamson -

I'd like to recommend that Gary Bernstein and Lauren Goers be appointed to the Carrboro Environmental Advisory Board. Both are relative newcomers to the area; I feel they show significant initiative in seeking out opportunities to serve their community so quickly. Lauren has a scientific background in Biology and lobbying experience with the NC Sierra Club. For his part, Gary has already demonstrated an eagerness to learn more about environmental issues relevant to Carrboro and to help in any way possible. I feel that their knowledge and energy will be valuable complements to the current members of the EAB.

Please let me know if you have any questions.

Thanks,

Sarah Myers

EAB Chair
