Item

CONTACT:

PURPOSE: To provide the members of the Assembly of Governments with an opportunity to discuss "Jointly Owned Governmental Land" as a resource for affordable housing. The following two questions are provided for discussion purposes:

- A. How do we develop affordable housing on those properties – example: 25 acres of the Greene Tract?
- B. What other avenues are there to develop the property?

BACKGROUND:

Attached for background purposes is an excerpt from the October 1, 2003 Orange County Board of Commissioners meeting agenda which included a discussion of the Greene tract. Also within this Item is a copy of the April 29, 2002 Assembly of Governments minutes that relates to the Greene tract which was a jointly owned site.
