DEPARTMENT: PUBLIC WORKS	PUBLIC HEARING: NO
ATTACHMENTS: A. Resolution	FOR INFORMATION CONTACT: George E. Seiz 918-7427

PURPOSE

The purpose of this item is to have the Carrboro Board of Aldermen authorize the Town Manager to enter into an agreement with the North Carolina Department of Transportation (NCDOT) to perform a bridge inspection. A resolution has been prepared for the Board's adoption.

INFORMATION

The Surface Transportation Act of 1978 provides funding for a Federal-Aid Highway Bridge Replacement and Rehabilitation Program. The Highway Bridge Replacement and Rehabilitation portion of the law requires that all structures defined as bridges located on public roads must be inspected on a cycle, not to exceed two years in accordance with the National Bridge Inspection Standards (NBIS). Towns may request NCDOT or a consultant retained by NCDOT to perform these inspections through a Municipal Agreement. The Town has one bridge located on Lake Hogan Farm Road.

Under the proposed Municipal Agreement, The Federal Highway Administration shall reimburse the Department of Transportation for eighty (80) percent of the cost of the work subject to compliance with all applicable federal policy and procedural rules and regulations. The Town shall reimburse the Department of Transportation for all costs of the work incurred by the Department of Transportation not paid by the Federal Highway Administration.

FISCAL IMPACT:

The cost of the work to the Town is estimated by NCDOT to be \$520. There is adequate funding in the Public Works Department budget to perform this work.

RECOMMENDATION

The town staff recommends that the Mayor and Board of Aldermen adopt the attached resolution authorizing the Town Manager to enter into an agreement with NCDOT to perform the bridge inspections.
