PURPOSE

INFORMATION

On 26 October 2004, the Board of Aldermen received a staff presentation on stormdrain labeling in the Town of Carrboro. During the Board of Aldermen discussion of this item on that evening, Alderman Gist suggested that the schools have a logo- naming contest, Alderman McDuffee asked that the following language be added: “drains to _____ creek” to the decals, and Alderman Herrera asked that El Centro Latino be contacted for the Spanish wording.

Staff has developed a stormdrain decal design contest brochure. Staff suggests that the selection committee be composed of 2 Aldermen, 1 EAB representative, 1 Arts Committee representative, the Town Manager, and the Streets Superintendent.

FISCAL IMPACT

There is no direct fiscal impact of this agenda item. Funds are available to begin purchasing stormdrain decals.

STAFF RECOMMENDATION

Staff recommends that the Aldermen 1) support the stormdrain decal contest, 2) select two Board of Aldermen members, and 3) direct staff to proceed with the stormdrain label contest.
