### PURPOSE

The Board is asked to review a request for an extension of the date when a Conditional Use Permit would otherwise expire for the Old Farmer's Market Office Building at 300 Roberson Street. The Town Staff recommends approval of the request.

### INFORMATION

The property manager of 300 Roberson Street, Mr. Nathan Milian, has requested an extension of the date on which a previously issued Conditional Use Permit (CUP) would otherwise expire. The Board of Aldermen originally granted the Conditional Use Permit on November 12, 2002. Last November, the Board granted a one-year extension to the expiration date for the permit. The CUP allowed construction of a three-story office and retail building at the corner of Roberson Street and Sweet Bay Place. Upon realizing that the permit expiration date was nearing, Mr. Milian contacted staff to discuss the possibility of seeking an extension. Mr. Milian has moved forward with due diligence in marketing the project to prospective tenants, and wishes to receive an extension to the date on which the CUP would otherwise expire.

### RECOMMENDATION

The Town Staff recommends that the Board of Aldermen adopt the attached resolution (**Attachment F**) approving the permit extension request. The new expiration date for the permit would be November 12, 2006.
