Bids were opened for the above mentioned project on May 3, 2006. These two sidewalk locations were bid separately from the other Phase I project because they have federal funding. This project consists of the installation of sidewalk along the following locations:

- Hanna Street, southeast side from N. Greensboro to end.
- Bolin Forest, east side from N. Greensboro-Stable.

The following bids were received:

<u>Company</u>	<u>Amount</u>

The engineer's estimate for this project was \$245,000 - \$294,000.

Both Hanna St and Bolin Forest sidewalks are funded partially with bond proceeds approved by Carrboro voters in November 2003. Following approval of this agenda item will be a resolution authorizing bond anticipation notes to finance construction of these two projects.
