PURPOSE

The Town of Carrboro has been named a Tree City USA by The National Arbor Day foundation to honor its commitment to its community forest. It is the 22nd year Carrboro has received this national recognition. Student winners of the poster contest will attend the meeting and be recognized by the Town. Posters will be on display.

BACKGROUND

One of the goals of the Public Works department in providing for the reforestation of the Town is to continue the program level necessary to maintain the Town's recognition as a Tree City USA.

Carrboro has met the four standards to become a Tree City USA: a tree board or department, a tree care ordinance, a comprehensive community forestry program, and an Arbor Day observance.

Arbor Day was celebrated on Thursday, April 27 with the students at Carrboro Elementary school. The celebration included comments from Mayor Mark Chilton, presentation of the Tree City USA Award by the NC Division of Forest Resources, planting of a Witch Hazel tree, and recognition of the school poster contest winners.

RECOMMENDATION

The town staff requests that the Board receive the Tree City USA Award and recognize the student winners of the poster contest.
