#### **PURPOSE**

The purpose of this item is for the Board of Aldermen to conduct a public hearing for the purpose of hearing comments on or objections to the preliminary assessment roll from all interested persons who appear. A resolution is attached for the Board's consideration.

#### **BACKGROUND**

At its regular meeting on June 6, 2006, the Board of Alderman adopted a resolution declaring the cost of the Lisa Drive Improvement Project, ordering the preparation of a preliminary assessment roll, and setting a public hearing on such assessment roll. A preliminary assessment roll was prepared and is attached. The public hearing was set for June 27, 2006.

The Board of Alderman may elect to adopt the assessment roll as it has been presented, modify or reject all or part of the assessments, continue the hearing to allow all interested persons a chance to speak, or move to reassess the entire project.

#### **RECOMMENDATION**

It is recommended that the Board adopt the attached resolution confirming the preliminary assessment roll and levying assessments.
