EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: As Executive Vice President of the American Heart Association, Mid-Atlantic Affiliate, I am accustomed to working within volunteer board structures and community based groups to accomplish consensus-driven goals. My professional responsibilities require that I help create and shape the strategic direction and culture of the AHA. Once that direction is established, it is my responsibility to ensure that the vision is understood, refined and implemented by staff and volunteers in an efficient and effective manner. I believe this experience would prove to be useful to this board.

REASON(S) YOU WISH TO BE APPOINTED: First and foremost, I have an interest in the issues this advisory board addresses. I believe that community appearance is vital to the long-term financial and emotional vibrancy of a community. I believe that Carrboro has a unique character that needs to be preserved while embracing the exciting future that awaits. When I walk throughout our community on a daily basis, I frankly believe we can improve our general appearance in small but significant ways. I would enjoy being part of that improvement and

sense that the community looks to this advisory board to make focused decisions in that regard.
