Think Environment!

Ways you can help the CTC this race in maintaining a healthy environment for all of us to enjoy.

- 1. Recycle Old Shoes!**
Bring your old shoes to this event and put them in the designated box for recycling. The CTC will ship these off to NIKE where they will be used to make new things like: basketball courts, tracks, and more! If you can't bring your shoes to this race, that's okay, bring them to the Gallop and Gorge BK!
- 2. Separate trash**
Place your food scraps in one bag, your paper in another, and your garbage in a third. This way we can compost the food, recycle the paper and plastics, and throw away what's left over.
- 3. Use cups from recycled materials**
We use a lot of cups at the water stations, this year we're using ones made from recycled paper.
- 4. Carpool!**
Load up your running buddies in one car and come to the race. No need for separate vehicles that contribute to air pollution.

These are just some ways we can work together for a cleaner environment that will help us stay healthy.
