EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I am currently working towards my brokerage license with Terra Nova Global Properties (304 W. Weaver St.) and would like to apply my learning in a real world setting. Having received a degree in Studio Art/Graphic design from Wake Forest Universtiy, I feel that the Arts Committee may benefit from some perspectives that I can bring to the table. I have also worked in the non-profit sector for several years, as well as the corporate, technology sector of business. Through these experiences I have gained the confidence and ability to present my ideas and work in collaboration with a diverse team.

REASON(S) YOU WISH TO BE APPOINTED: Since I am only 27 years old and have never served on such a council, one of my motives in applying is simply to listen and learn from those more seasoned citizens who have been contributing to the town of Carrboro. Through listening and learning, I would ultimately hope to grow in my ability to contribute ideas that would benefit the community.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I have been active in local politics literally all of my life - I walked my first precinct at age 11, and have been involved with both issues and candidates. My skills as a catalyst, an organizer and a consensus-builder have helped me to be successful in professional and volunteer arenas. I work for UNC Health Care, in the Program on Integrative Medicine in the School of Medicine, and coordinating the Planetree initiative for UNC Hospitals. In my latter role, one of my most important tasks is coordinating and expanding our vibrant Healing Arts program. I am working to build a stronger relationship between the Orange County arts community and UNC Hospitals. I am also a professional musician and teacher, a writer, and a visual artist, so I have experience on both sides of the palette, so to speak. I have directed statewide health education programs in California, and am committed to developing arts education as well. I am president of the Whispering Hills Homeowners Association. Under my leadership over the past 2 years, our property values have increased by nearly 25%, we have begun community garden projects, and are holding

REASON(S) YOU WISH TO BE APPOINTED: Just like every Miss America candidate, I want to make a difference. In the San Francisco Bay Area, I wasn't very active in local politics because I didn't feel as though I had much impact. Now that I live in "Berkeley in the Piedmont," I feel like there is an openness, an energy, and an opportunity to contribute my skills, experience, and dedication to my home town.

Although Arts Committee is my first choice, I am open to serving wherever my skills are most needed. thank you.
