SUBJECT: Proposed Fee Schedule for Translation-Assistance Equipment

DEPARTMENT: MANAGER'S OFFICE	PUBLIC HEARING: NO
ATTACHMENTS: A – Resolution B – Proposed Fee Schedule	FOR INFORMATION CONTACT: Drew Cummings (918-7314)

PURPOSE

Town staff seek Board approval and/or input on additions to the fee schedule for the newly purchased translation-assistance equipment. Fees apply to those outside the Town of Carrboro organization but within Orange County who could make use of the equipment.

INFORMATION

Town staff proposed this fee schedule to the Board in the 1/12/07 Board-Manager Memo and received no feedback. The leadership at Chicle also indicated that the fee schedule seemed appropriate to them. Per tradition, all changes and additions to the fee schedule are approved by the Board.

FISCAL IMPACT

The town may see a small amount of additional revenue based on this fee if it is approved.

RECOMMENDATION

Town staff recommends amending the town fee schedule to include these charges.
