of parking change

This petition is provided so that residents in a neighborhood may verify that there is a widespread concern for a parking issue.

Town staff will identify an "area of influence" in the neighborhood. The area of influence may include properties abutting the street and properties on intersecting streets within a reasonable distance of the problem street. The Planning Department will provide a map and addresses for the area of influence.

The petition must be signed by at least 75 percent of the owners or residents of properties within the "area of influence." Each property is entitled to one signature. Valid signatures include those from (1) a property owner or spouse, (2) an adult head of household, or (3) an adult renting the property.
