## UNC Kidney Center 2008 Kidney Kare 5k Run/Walk

**When:** March 15, 2008, 8:30 AM

**Where:** Start/Finish at McDougle Middle School, Chapel Hill, NC.

**What:** Join the UNC Kidney Center for the Third Annual Kidney Kare 5k Run/Walk.

**Why?** One in nine North Carolinians have chronic kidney disease and most don't know it! -- It affects families you know, your employees, and your market. Funds raised from the Kidney Kare 5k will support the Kidney Education Outreach Program which provides free kidney screenings throughout the state of North Carolina, creates community awareness of kidney disease and partners with local communities to prevent kidney disease. Early intervention through screening can slow, and in some cases, stop the progression of kidney disease. Remember to ask,..."Hey Doc, how are my kidneys?"

**Corporate Opportunity:** The UNC Kidney Center is currently identifying partners to collaborate with on this event. Partnership opportunities include run/walk teams, corporate hosting and corporate sponsors.

The University of North Carolina Kidney Center's (UNCKC) mission is to reduce the burden of chronic kidney disease through discovery about the pathophysiology and therapeutics of kidney disease; through the development and assessment of educational programs about kidney disease for North Carolinians and their primary care physicians and by providing physicians and citizens access to information about the causes and treatments of kidney disease.
