### PURPOSE

The purpose of this item is for staff to bring back to the Board a set of preliminary ideas and timelines regarding approaches to the ten identified economic development goals decided upon at the Board's 2008 planning retreat.

### INFORMATION

Staff have prepared a follow-up report which notes 1) anything we are already doing in relation to a particular goal, 2) anything we have been working on since the retreat, and 3) proposals for concrete action OR a scheduled agenda item where the Board can discuss the matter further and give more specific direction to staff. For reference, the retreat notes have also been included in the packet.

### FISCAL AND STAFF IMPACT

Fiscal and staff impact both depend entirely on the approaches taken to address the ten identified economic development goals.

### RECOMMENDATION

Staff recommend that the Board consider this report and approve, modify, or give further clarification regarding the follow-up actions proposed by staff.
