EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Received a Masters of Public Administration; commitment to responsible environmental management; interest in community-led, community-minded politics.

REASON(S) YOU WISH TO BE APPOINTED: A resident of Orange County since 1985, I've watched Carrboro grow while maintaining its essential community character. When looking to buy my first home, I knew hands down that Carrboro was where I wanted to be. I'm proud to be a member of an ethnically and economically diverse community, and I share in its commitment to support small and community-owned business and the arts. It's a great place to live. And I want to learn more about my town so I can do my part in helping Carrboro continue to grow and develop in careful and sensible ways – all the while maintaining its resident- and community-focused reputation.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I have ascertained the importance of natural areas and public spaces/facilities in relation to the general well being of citizens. A community must maintain, and have available to them, a full well-rounded infrastructure as well as programs and facilities in place so as to secure and edify a community's value and standard of living.

Being involved with the Boy Scouts of America for a number of years, I have witnessed how time spent outdoors, and participation in activities outside of school (viz., Municipal Parks and Rec. Summer Programs and the like), benefit young children and the local community. Through my involvement with this organization, I have had the opportunity to impart upon young men the importance of community involvement, the importance of not neglecting any aspect of one's citizenship or the role that they play in their community's well-being.

REASON(S) YOU WISH TO BE APPOINTED: I wish to be appointed to this committee so as to take an active role in the well-being of the Town of Carrboro. Being a citizen of this community is a great honor. I would like to have a say in how our community develops and be able to listen to the opinions and wishes of our fellow townspeople, so as to be aware of what changes they would like to see in our town.

COMMUNITY ACTIVITIES/ORGANIZATIONAL MEMBERSHIPS: Over past few months I have been in discussions with selected community leaders, including the Art Center director. Also building connections to several departments at UNC-CH Spent several years in Raleigh (including at NCSU) trying in vain to promote creative community music – open mics, drums circles and so on. Hope to have many of these initiatives underway in Carrboro within next few months. Also have plans for a youth creativity center that should be able to garner grant support. I have had the chance to present my ideas to the Town Economic Sustainability Commission as noted in the attached powerpoint. They were in general support of my moving forward.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Professor of sociology for over 20 years at NC State University. That has included extensive experience with social change, technological innovation, marketing research, and other areas. Been playing music for almost 40 years. See attached for more information. I am also recognized as one of the leading experts on the impacts of the Internet on society. Have a number of innovative ideas for developing a "CarrSpace" for local residents and businesses patterned on the MySpace model.

REASON(S) YOU WISH TO BE APPOINTED: Desire to help promote Carrboro as the Creative Capital of the Carolinas. In particular I wish to expand the community music opportunities – especially for the youth. In fact, as noted in the attached, my appointment at NC State now is to foster community development using the arts and the Internet. Having recently moved to Carrboro I am amazed by the community solidarity and creative climate. Believe I can add significantly to the ongoing efforts and introduce innovative initiatives. In particular, I hope to help with positioning of Carrboro based on the results of the recent planning studies that build on creative strengths and tolerant climate.
