Section 2. This resolution shall become effective upon adoption.

CREATION OF A LOCAL LIVING ECONOMY IMPLEMENTATION TASK FORCE

The purpose of this item was for the Board of Aldermen to finalize the mission and consider the make-up of the proposed Local Living Economy Task Force.

Alderman Broun expressed her desire that the rules and expectations for this task force to be clear from the beginning; i.e., whether the recommendations must all be by consensus.

Alderman Gist asked that all Carrboro businesses be notified of this task force.

Alderman Haven-O'Donnell asked that this task force be advertised on Carrboro's website as well as on Carrboro.com.

The following resolution was introduced by Alderman Randee Haven-O'Donnell and duly seconded by Alderman Joal Hall Broun.

**A RESOLUTION ESTABLISHING THE MISSION, MAKE-UP, DURATION, AND MEETING SCHEDULE
OF THE NEW LOCAL LIVING ECONOMY TASK FORCE**

Resolution No. 119/2007-08

WHEREAS the Board of Aldermen have committed themselves to helping Carrboro achieve a locally owned, operated, and supported economy, and

WHEREAS the formation and activities and recommendations of a Local Living Economy Task Force may aid the Aldermen in achieving that goal,

NOW THEREFORE be it ordained by the Carrboro Board of Aldermen that:

Section 1: A Local Living Economy Task Force be created for an 18-month period (following appointment of its members on May 20th) and that it meet roughly once a month during that time;

Section 2: The Local Living Economy Task Force will be given staff support and be made up of 10 members appointed as follows after a one month advertisement period:

- a. ESC: 2 appointees
- b. Carrboro business community: 3 appointees
- c. At-large members: 3 appointees
- d. Aldermen: 2 members

Section 3: The mission of the Local Living Economy Task Force is to investigate and evaluate strategies by which the Town of Carrboro can help foster the development of a sustainable, locally owned and run economy. Their studies will include but not be limited to strategies regarding "thinking local first," identifying and plugging leaks, mobilizing small businesses, entrepreneurship training, investor mobilization, and public policy reform. Additional topics of interest identified by other Board members as issues the LLETf might look into include sustaining the arts and creating more affordable housing. They will provide reports to the Board of Aldermen at least every six months during this period which will contain recommendations about actions the Board could take to support the development of such a local living economy.

Section 4. Appointments would be made on May 20th.

The foregoing resolution having been submitted to a vote received the following vote and was duly adopted this 18th day of March 2008:

Experience to aid in working on this advisory board:

My interest in issues and solutions for resolving anthropogenic threats to the survival of the human species have led me to be in tune with the economic facet of the problem/solutions. Some thinkers and movements that I have been exposed to include Michael Shuman ("The Small-Mart Revolution"), E.F. Schumacher ("Small is Beautiful"), Balle Network, Rob Hopkins (Transition Towns), Permaculture, Michael Albert (Parecon) ... among others.

Beyond the theoretical, I have much organizational experience:

- Orange County Dem Party lead county coordinator 2004 and 2006.
- Co-founder of Carrboro Greenspace; Center for Community and Sustainability
- Founder of the Walk-In-Tributary-Theatre (WITT)
- Co-Founder of Carrboro Community Gardening Coalition (MLK Community Garden)
- Organized Step It Up Carrboro 2007

Reason you wish to be appointed:

I have a strong belief in local living economies as a comprehensive component of the growing community solutions movement which seeks to resolve the plethora of pervasive ecological and social problem caused by the outdated idea of infinite growth.

I believe that the town of Carrboro is small enough a community that effective action, reflective of the community's wishes, can be accomplished and implemented through engagement and participation with the municipal government.
