COMMUNITY ACTIVITIES/ORGANIZATIONAL MEMBERSHIPS: Over past few months I have been in discussions with selected community leaders, including the Art Center director. Also building connections to several departments at UNC-CH. Spent several years in Raleigh (including at NCSU) trying in vain to promote creative community music – open mics, drums circles and so on. Hope to have many of these initiatives underway in Carrboro within next few months. Also have plans for a youth creativity center that should be able to garner grant support. I have had the chance to present my ideas to the Town Economic Sustainability Commission as noted in the attached powerpoint. They were in general support of my moving forward.

I wish to be considered for appointment to the following advisory board(s):

<input type="checkbox"/> Board of Adjustment	<input type="checkbox"/> Northern Transition Area Advisory Com.
<input type="checkbox"/> Appearance Commission/NPDC	<input type="checkbox"/> OWASA Board of Directors

	<input type="checkbox"/> Other

If you apply for membership on more than one advisory board, please indicate your preference by number, with "1" being your first choice (please limit your selection to two (2) boards). Please note that membership is limited to one advisory board at a time. You shall not be considered for appointment to another board unless you resign before filing an application or you are in the last six months of your current term.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Professor of sociology for over 20 years at NC State University. That has included extensive experience with social change, technological innovation, marketing research, and other areas. Been playing music for almost 40 years. See attached for more information. I am also recognized as one of the leading experts on the impacts of the Internet on society. Have a number of innovative ideas for developing a "CarrSpace" for local residents and businesses patterned on the MySpace model.

REASON(S) YOU WISH TO BE APPOINTED: Desire to help promote Carrboro as the Creative Capital of the Carolinas. In particular I wish to expand the community music opportunities – especially for the youth. In fact, as noted in the attached, my appointment at NC State now is to foster community development using the arts and the Internet. Having recently moved to Carrboro I am amazed by the community solidarity and creative climate. Believe I can add significantly to the ongoing efforts and introduce innovative initiatives. In particular, I hope to help with positioning of Carrboro based on the results of the recent planning studies that build on creative strengths and tolerant climate.
