EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Over the past decade of living in this community I have contributed to a wide range of community interests and concerns. I would like to work with out town leaders to help meet the unique needs of our newest Carrboro residents and to help better integrate the Karen community into our town.

REASON(S) YOU WISH TO BE APPOINTED: I would like to continue the work that I have been doing on the Planning Board. With most of the new developments coming in the northern Carrboro area, it is critical that we have engaged knowledgeable Planning Board members from that area to address the environmental, transportation, commercial and residential considerations before us. As a long time resident of this area, I am can address the real-life issues that can not be gleaned from maps and plans. Without careful planning and relevant input, the Vision 2020 plans which we all value will not be realized for our community.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I have ascertained the importance of natural areas and public spaces/facilities in relation to the general well being of citizens. A community must maintain, and have available to them, a full well-rounded infrastructure as well as programs and facilities in place so as to secure and edify a community's value and standard of living.

Being involved with the Boy Scouts of America for a number of years, I have witnessed how time spent outdoors, and participation in activities outside of school (viz., Municipal Parks and Rec. Summer Programs and the like), benefit young children and the local community. Through my involvement with this organization, I have had the opportunity to impart upon young men the importance of community involvement, the importance of not neglecting any aspect of one's citizenship or the role that they play in their community's well-being.

REASON(S) YOU WISH TO BE APPOINTED: I wish to be appointed to this committee so as to take an active role in the well-being of the Town of Carrboro. Being a citizen of this community is a great honor. I would like to have a say in how our community develops and be able to listen to the opinions and wishes of our fellow townspeople, so as to be aware of what changes they would like to see in our town.

COMMUNITY ACTIVITIES/ORGANIZATIONAL MEMBERSHIPS: Over past few months I have been in discussions with selected community leaders, including the Art Center director. Also building connections to several departments at UNC-CH. Spent several years in Raleigh (including at NCSU) trying in vain to promote creative community music – open mics, drums circles and so on. Hope to have many of these initiatives underway in Carrboro within next few months. Also have plans for a youth creativity center that should be able to garner grant support. I have had the chance to present my ideas to the Town Economic Sustainability Commission as noted in the attached powerpoint. They were in general support of my moving forward.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Professor of sociology for over 20 years at NC State University. That has included extensive experience with social change, technological innovation, marketing research, and other areas. Been playing music for almost 40 years. See attached for more information. I am also recognized as one of the leading experts on the impacts of the Internet on society. Have a number of innovative ideas for developing a "CarrSpace" for local residents and businesses patterned on the MySpace model.

REASON(S) YOU WISH TO BE APPOINTED: Desire to help promote Carrboro as the Creative Capital of the Carolinas. In particular I wish to expand the community music opportunities – especially for the youth. In fact, as noted in the attached, my appointment at NC State now is to foster community development using the arts and the Internet. Having recently moved to Carrboro I am amazed by the community solidarity and creative climate. Believe I can add significantly to the ongoing efforts and introduce innovative initiatives. In particular, I hope to help with positioning of Carrboro based on the results of the recent planning studies that build on creative strengths and tolerant climate.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: Currently a graduate student within the Department of City and Regional Planning at UNC Chapel Hill, I maintain a specialization in Transportation Planning with specific focus on the enhancement of pedestrian accessibility to various cultural and social amenities. Of particular relevance to Carrboro's advisory board participation is my experience collaborating with individuals across disciplines.

REASON(S) YOU WISH TO BE APPOINTED: In order to establish and maintain a viable, equitable, and aesthetically pleasing community, I find it crucial to develop knowledge of policy dynamics and government leadership and to sacrifice my own time so that I may make a small contribution to Carrboro's future sustainability.

☒ **Planning Board**

EXPERIENCE TO AID YOU IN WORKING ON THIS ADVISORY BOARD:

Before college, I lived on Norwich Street Troy, MI and Wood Drive Livonia, MI--cities of similar size to Carrboro/Chapel Hill. I believe in interconnected communities which are pedestrian and bicycle friendly.

I am familiar with Carrboro and Chapel Hill, having moved here back when Carrboro was the cheap-rent section of Chapel Hill. I have some sense of Carrboro's history of growth and its effects, both positive and negative.

In 2006, I was a licensed Realtor here in Carrboro. I have some familiarity with the housing market. I do not own real property in Carrboro though I would like to afford it.

Refereeing professional, college, Latino and competitive youth soccer since 1985 has meant that I have had to spend countless hours debating the minutiae of rules and its outcomes in clinics twice per year. Though I am not a fan of spending countless hours in meetings, I do appreciate the value of understanding the minutiae of rules and its outcomes.

When Randee Haven-O'Donnell was the Board of Aldermen's liaison to the Planning Board, I attended many Planning Board meetings out of sheer interest.

REASON(S) YOU WISH TO BE APPOINTED: I have a genuine interest in serving our community and find the workings of the Planning Board intellectually stimulating.

Justification for re-appointment to the Planning Board for Heidi Paulsen:

I would like to re-apply for another term on the Planning Board. The justification required by the town considers the 4 reasons, spelled out below:

1. To retain diversity on an advisory board:

I am one of, I believe 2, Planning Board members that are single and live in a townhouse complex. I believe the majority of PB members live in single family homes. This gives me a unique perspective of the limited amount of housing for single wage earners. I also spent 10 years living in Europe and 2 on a tropical island, which may give me a broader perspective of what is possible.

2. To provide continuity in oversight of a major, on-going project:

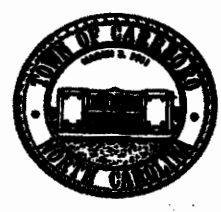

I have been working on the Greenways Commission and have been active on the Sustainability Committee (when it has been able to meet). I have a strong interest in Sustainable Development, both for the Town of Carrboro, and in my professional capacity. My current position at work does not allow me to spend much time on Sustainable Development issues, and I hope to work on the issue in Carrboro.

3. To keep a member who provides expertise otherwise unavailable on an advisory board:

I believe I am the only member of the Planning Board with a Masters in City and Regional Planning. Having received my degree from a local university (UNC-CH) allowed me to learn about local issues while obtaining it, and provides an expertise in a variety of local planning issues, such as soil drainage and water quality. At work, I am on the Environmental Management Systems Team, where I learn about green building, recycling and other efforts to green buildings and communities.

The 4th justification is regarding current applicants. I do not feel it would be appropriate for me to address this consideration, even if I knew who has applied.

NAME: Lynda-Marie Taurasi **DATE:** January 9, 2009

ADDRESS: 2307 Stansbury Rd. Chapel Hill, NC 27516

IS THIS ADDRESS LOCATED WITHIN THE CORPORATE LIMITS OF THE TOWN OF CARRBORO? Just outside ☹

When I first moved to this area from New York City in 2006, I moved to Carrboro and lived in Carrboro until 2008 when I moved (for financial reasons) to an apartment off of Jones Ferry Road. Originally, I thought I was still in Carrboro, but I do have a Chapel Hill address. I am just outside the Carrboro Town limits just passed University Lake. I have to go through Carrboro to even get to Chapel Hill. I align myself with the Carrboro community as I was a part of the community since I moved back to North Carolina. It literally breaks my heart that I am not *technically* a Carrboro resident anymore ☹ I even have a bumper sticker on my car that says "***I'd Rather Be in Carrboro.***" I hope the Board of Alderman would still view me as a Carrboro resident and accept me to the Art Committee.

EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS: I have ample experience in communication and media, and so I can use my talents to write press releases and promotional content. I

am a supporter of the Arts, especially of community arts, particularly Carrboro-related. Nearly every month, I attend the 2nd Friday Artwalk. For the past three years, I have participated in Carrboro Day, and the Carrboro Music Festival through WCOM. After attending the Carrboro Poetry Festival and successfully and solely organizing a booth and volunteers to represent WCOM for The Carrboro Film Festival, I decided to apply for membership to the Arts Committee B-38

REASON(S) YOU WISH TO BE APPOINTED: After being involved with the community through WCOM and attending the events produced and/or inspired by the Arts Committee, I am moved to increase my involvement and become a greater part of the town using my talents and abilities. I have a passion for the arts and its culture and for Carrboro. I am proud that Carrboro was named one of "The 100 Best Art Towns in America" I know I can make a valuable contribution. **I am a part-time reporter for WCHL, and before applying to the Committee, I spoke with my News Director who ensured me that I will not be assigned a story that would pose a conflict should I be accepted to the Arts Committee. Having stated that, I will also not pose a conflict should I be accepted to the Arts Committee by using my membership to fuel stories for WCHL.** I have read all the minutes from the meetings held in the last two years.

My position also includes extensive collaboration with 6 other nonprofits in the Upper Neuse Clean Water Initiative; a multi-party effort developed to work with private landowners to adopt voluntary measures designed to protect land rated critical to protecting water quality. I am very familiar with federal, state and local regulations related to environmental protection and have worked with a broad range of stakeholders, including developers private landowners, citizens, open space and trails advocates, other nonprofit organizations and agency staff. I previously worked for the Watershed Assessment and Restoration Project (WARP) at the NC Department of Environment and Natural Resources (DENR) on a study on the sources and causes of water quality impairment in Bolin and Booker Creek. The project culminated in a study identifying the causes of water quality impairment

and outlining a suite of strategies to protect and restore water quality. Prior to coming to NC and working for DENR, I was a public outreach specialist in an 11 county watershed protection project in Athens Georgia. I hold a graduate degree in Conservation Ecology and Sustainable Development from the University of Georgia and have co-published a book on water resources for use by the Georgia State Assembly, local cities, towns and municipalities, and citizen organization. Prior to that I worked on a study conducted by the Medical University of South Carolina for the US Department of Energy on the health concerns of community's in close proximity to hazardous waste sites and developed the study's public outreach and communication guidelines. I'm an avid conservationist, but also very familiar with understanding, addressing and balancing a variety of considerations and stakeholder groups.

REASON(S) YOU WISH TO BE APPOINTED: I believe that my professional background, knowledge of the issues and on-the-ground experience in addressing and resolving complex environmental issues in a multi-party context would allow me to offer an informed perspective and make a meaningful contribution to the committee's work.

On a more personal note, I recently purchased a house here in Carrboro. It was my first house purchase and I'm very grateful and happy to have had the resources to make this investment. I hope to an engaged member of the community and would like the opportunity to use my skills to help shape a sustainable future for our town.

GUIDELINES FOR SELECTING ADVISORY BOARD AND COMMISSION MEMBERS

Amended: 4/10/90, 6/27/2000, 1/15/2002, 4/9/2002, 4/18/2006, 2/27/2007, 12/2/2008

1. APPOINTMENTS

- a. Chairs of advisory boards shall review applications and complete a Summary of Applications form. The Board of Aldermen will make all appointments.
- b. The Mayor and Board of Aldermen should endeavor to assure that the membership of the advisory board represents many sectors of the community and offers opportunities for new applicants to serve.
- c. In addition, applicants should be committed to attending meetings, participating constructively in the work of the board, making fair decisions, and treating citizens, staff and other board members with respect.
- d. Members are limited to two full terms. After completing two full terms, a member must take off one year before applying for re-appointment to the advisory board. However, a board member may apply to serve on another advisory board if he/she desires. The Board of Aldermen may make exceptions to this rule under the following circumstances:
 1. To retain diversity on an advisory board;
 2. To provide continuity in oversight of a major, on-going project;
 3. To keep a member who provides expertise otherwise unavailable on an advisory board (e.g., an engineer on the Planning Board or Board of Adjustment); or
 4. A lack of qualified applicants.
- e. Membership shall be limited to one seat on the following boards and commissions Board of Adjustment, Planning Board, Appearance Commission, Transportation Advisory Board, Recreation and Parks Commission, Cable T.V. Committee, Human Services Commission, Cemetery Commission, Environmental Advisory Board, Downtown Development Commission, Northern Transition Area Advisory Committee, Arts Committee and OWASA Board of Directors.
- f. Applicants serve three-year terms unless the applicant is filling an unexpired term.
- e. Appointments begin on February 1st.

2. APPLICATIONS FOR EXPIRED TERMS

- a. Each October the Town Clerk will advertise that the town is accepting applications for upcoming openings on advisory boards and commissions in February.
- b. All candidates must complete an application to be considered for appointment or reappointment.
- c. Applications will be taken for 30 days.
- d. Applications received after the October 31st deadline will be kept on file for future vacancies.
- e. Applications will be maintained on file until the following October.
- f. The Town Clerk will notify all applicants in writing of receipt of his/her application and give a status report on his/her application.

3. APPOINTMENTS TO EXPIRED TERMS

- a. By November 15th, the Town Clerk shall forward copies of applications to the chairs of the boards and commissions and the Mayor and Board of Aldermen.
- b. Each chair shall contact his/her applicants and invite them to at least one meeting of their board so they may understand the responsibilities of the board and the necessary time commitment. (Chairs should contact Town staff in the event of a language barrier.) The chairs shall also talk with the applicants about their interest in serving on the advisory board. Board chairs may meet personally with applicants if a meeting of their board is not anticipated within 30 days following receipt of the applicant's request for appointment. This would be in lieu of having the applicant attend a meeting of that board or commission. If applicants do not attend a meeting after two phone calls or emails, then the Chair shall notify the Town Clerk of that fact and he/she will remove the application from consideration.
- c. By January 31st, the chair of each board shall submit a Summary of Applications form to the Town Clerk. Copies of all applications and recommendation forms received shall be forwarded to the Mayor and Board of Aldermen.
- d. If there are no applicants for the Board in question, the Chair may contact applicants that have applied for other boards. Board chairs should contact the Town Clerk to obtain these applications.
- f. If a Summary of Applications form has not been received from board chairs by January 31st, the Town Clerk shall contact the chairs and request a status report.

- g. By February 15th, the Mayor and Board of Aldermen will make appointments to boards and commissions to fill expired terms.

4. APPLICATIONS FOR UNEXPIRED VACANT TERMS

- a. If a vacancy occurs on a board or commission and the Town Clerk has two or more applications for that specific board or commission, no further advertisement will be necessary. If two or more applications are not on hand, the Town Clerk shall advertise the vacancy for one month.
- b. Upon receipt of any application, the Town Clerk shall notify the applicant in writing of receipt of his/her application and give a status report on whether vacancies exist.

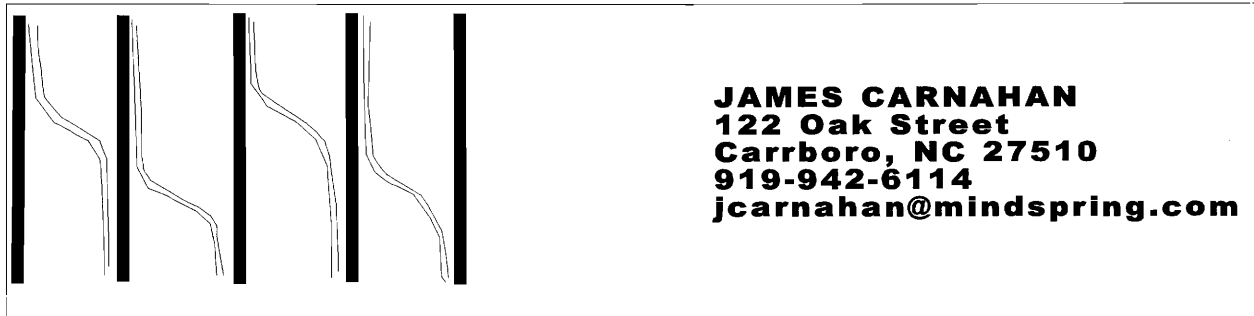

5. APPOINTMENTS TO UNEXPIRED TERMS

- a. Within two weeks following the one-month advertisement, the Town Clerk shall forward copies of applications to the chair of the board or commission on which the vacancy exists along with copies to the Mayor and Board of Aldermen.
- b. The chair shall contact his/her applicants and invite them to at least one meeting of their board so they may understand the responsibilities of the board and the necessary time commitment. (Chairs should contact the Town staff in the event of a language barrier.) The board chair may meet personally with applicants if a meeting of their board is not anticipated within 30 days following receipt of the applicant's request for appointment. This would be in lieu of having the applicant attend a meeting of that board or commission. If applicants do not attend a meeting after two phone calls or emails, then the Chair shall notify the Town Clerk of that fact and he/she will remove the application from consideration.
- c. Within four weeks following the advertisement, the chair shall submit a Summary of Applications form to the Mayor and Board of Aldermen. Copies of all applications received shall be forwarded to the Mayor and Board of Aldermen.
- d. If there are no applicants for the Board in question, the Chair may contact applicants that have applied for other boards. Board chairs should contact the Town Clerk to obtain these applications.
- e. If a Summary of Applications form has not been received from the chair within four weeks following the advertisement, the Town Clerk shall contact the chair and request a status report.
- f. Within six weeks following the advertisement, the Mayor and Board of Aldermen will make the appointment to fill the unexpired term.

- g. Appointments to unexpired terms of 6 or fewer months will be simultaneously appointed to the following 3-year term.

6. ATTENDANCE

- a. The chair of each board or commission shall file with the Town Clerk an attendance report on a quarterly basis indicating if members are present or absent.
- b. Unless the chair waives the requirement, members shall be removed if they are absent from three consecutive meetings or if they miss more than 30% of the meetings during a 12-month period. The Town Clerk shall notify the chair in writing as soon as a member becomes subject to removal under this section. The chair will have 10 days after receipt of such notice to waive the removal. If the chair fails to notify the Town Clerk in writing within ten days after receipt of such notice that the automatic removal requirement should be waived, the Town Clerk will send a removal notice to the member. This removal shall be effective on the date of such notice.

RE: Overview of Planning Board Applications

There are currently a total of 4 open seats on the Planning Board. Three are full, 3-year terms and one is the uncompleted term of Seth Chadbourne, who was appointed last winter and resigned because his work schedule conflicted with many PB meetings.

Attached you will find 7 applications and 2 pages of my Summary of Applications. Please note the following:

- Three applications are from incumbent Planning Board Members. Sharon Cook is completing her first full term. Rose Warner is completing the final year of Ande West's term. Heidi Paulsen is completing her second full term; the ordinance does provide for exceptions to the two-term limit on members and I believe there are good reasons for the Board of Aldermen to consider re-appointing Heidi. She has provided a letter explaining how her continuing membership on the PB would meet 3 of the 4 justifications listed in the ordinance.
- The following applicants list the Planning Board as their first choice: Sharon Cook, William Madden, Heidi Paulsen, David Shoup and Rose Warner. Geoff Gisler and Seth LaJeunesse list PB as their second choice; Mr Gisler lists the Environmental Advisory Board as his first choice and Mr LaJeunesse lists the Transportation Advisory Board as his first choice. Nonetheless in the event there are no openings on those boards I believe both would bring valuable experience to the Planning Board.
- I have only very recently received the Applications of Mr Gisler & Mr LaJeunesse and have not had the opportunity to invite them to attend a Planning Board meeting. I will be inviting them to our Feb. 5th meeting and by the time you begin considering these applications I expect they should have fulfilled this requirement of the ordinance. Thus, you have before you 7 well-qualified applicants for the 4 open seats.
