***WANTED: SUGGESTIONS FOR CARRBORO COMMUNITY NEEDS FOR FISCAL YEAR 2009- 10 BEGINNING JULY 1

If there is anything I have missed in the time I have lived in Carrboro, that would be a sand court volleyball league. Previously I lived in Raleigh across Wade Avenue from the Jaycee Park, where there were (among other amenities) 6 sand volleyball courts. I played for years in casual pickup games on Wednesday evenings, mostly with the MCC (Metropolitan Community Church) guys, who didn't take the games very seriously. For a few years after I moved here, I would drive all the way over to Raleigh in Earl the Wonder Wagon just to play volleyball with the boys for a few hours. I have lived here since 1992, but have never located a sand volleyball court off campus that had a game I could jump into.

I would like that.

Good Morning Dan:

I am not aware of previous requests. We have a sand volleyball court at Anderson Park. Staff and I visited that court yesterday and discussed the possibility as a result of this request. We are in the process of reviewing the feasibility of offering a league using our current court.

Anita,
I'm curious whether this is something that has been requested in the past or if it has been considered.

thanks.

Chuck:

Thanks for providing clarification of your request. The sand volleyball court is available for play when the park is open and is next to the tennis courts in Anderson Park.

I hope you have an opportunity to enjoy a casual pickup game.

Thank you for considering this request so seriously. How is it that I have lived here for 17 years and never noticed a sand court at the park? I go to the dog park constantly.

I am not interested in league play. I do not wish to take the sport that seriously. I never went to the Jaycee Park on league nights, as no one else could play. I am more interested in casual pick up play. That is to me much more fun, and far more suitable to my skill level.
