<p><b>COMMUNITY ACTIVITIES/ORGANIZATIONAL MEMBERSHIPS:</b> Over past few months I have been in discussions with selected community leaders, including the Art Center director. Also building connections to several departments at UNC-CH Spent several years in Raleigh (including at NCSU) trying in vain to promote creative community music – open mics, drums circles and so on. Hope to have many of these initiatives underway in Carrboro within next few months. Also have plans for a youth creativity center that should be able to garner grant support. I have had the chance to present my ideas to the Town Economic Sustainability Commission as noted in the attached powerpoint. They were in general support of my moving forward.</p>

**EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS:** Professor of sociology for over 20 years at NC State University. That has included extensive experience with social change, technological innovation, marketing research, and other areas. Been playing music for almost 40 years. See attached for more information. I am also recognized as one of the leading experts on the impacts of the Internet on society. Have a number of innovative ideas for developing a "CarrSpace" for local residents and businesses patterned on the MySpace model.

**REASON(S) YOU WISH TO BE APPOINTED:** Desire to help promote Carrboro as the Creative Capital of the Carolinas. In particular I wish to expand the community music opportunities – especially for the youth. In fact, as noted in the attached, my appointment at NC State now is to foster community development using the arts and the Internet. Having recently moved to Carrboro I am amazed by the community solidarity and creative climate. Believe I can add significantly to the ongoing efforts and introduce innovative initiatives. In particular, I hope to help with positioning of Carrboro based on the results of the recent planning studies that build on creative strengths and tolerant climate.

**Planning Board**

**EXPERIENCE TO AID YOU IN WORKING ON THIS ADVISORY BOARD:**

Before college, I lived on Norwich Street Troy, MI and Wood Drive Livonia, MI--cities of similar size to Carrboro/Chapel Hill. I believe in interconnected communities which are pedestrian and bicycle friendly.

I am familiar with Carrboro and Chapel Hill, having moved here back when Carrboro was the cheap-rent section of Chapel Hill. I have some sense of Carrboro's history of growth and its effects, both positive and negative.

In 2006, I was a licensed Realtor here in Carrboro. I have some familiarity with the housing market. I do not own real property in Carrboro though I would like to afford it.

Refereeing professional, college, Latino and competitive youth soccer since 1985 has meant that I have had to spend countless hours debating the minutiae of rules and its outcomes in clinics twice per year. Though I am not a fan of spending countless hours in meetings, I do appreciate the value of understanding the minutiae of rules and its outcomes.

When Randee Haven-O'Donnell was the Board of Aldermen's liaison to the Planning Board, I attended many Planning Board meetings out of sheer interest.

**REASON(S) YOU WISH TO BE APPOINTED:** I have a genuine interest in serving our community and find the workings of the Planning Board intellectually stimulating.

**EXPERIENCE TO AID YOU IN WORKING ON THESE ADVISORY BOARDS:**

Academic: I am a masters degree candidate in the Department of City and Regional Planning at UNC. Prior to beginning by studies here, I completed a bachelors degree in Geography at the University of Kentucky. I have international academic experience from living and studying for two years in Germany and one year in Israel.

Work: Currently I work as a teaching assistant for the Pedestrian and Bicycle Information Center and the Department of City and Regional Planning. Last fall I helped develop a new graduate course curriculum in pedestrian and bicycle planning, and this spring I am the course TA. Prior to moving to Carrboro, I worked for the Association for the Advancement of Sustainability in Higher Education (AASHE), where I created resources for universities seeking to improve sustainability on their campuses.

**Community:** At the University of Kentucky I served as co-chair of the Focus the Nation committee, which organized climate change awareness events and panels. I also served on the board of Earthdays in the Bluegrass, which organized an environmental or community service event in Lexington, Kentucky for every day during the month of April. Additionally, I was active in the Aylesford Neighborhood Association, where my father serves as president.

**REASON(S) YOU WISH TO BE APPOINTED:** I grew up in Lexington, Kentucky, as part of the fifth generation of Michlers living in our family's house located next door to our century old florist shop and greenhouses. My family's committed involvement in our downtown neighborhood, donating and planting street trees and gardens among other things, has created my strong attachment planning. This background, combined with three years spent studying abroad, have led me to pay more attention to how space is used, and what urban elements make for a better life. By serving on a Town of Carrboro Advisory Board I hope to gain further incites from planners, board members, and citizens, while, at the same time, sharing what I have learned. Despite living in Carrboro less than one year, I feel at home in this unique town, and would be honored to serve.

**NAME:** Lynda-Marie Taurasi **DATE:** January 9, 2009

**ADDRESS:**

**IS THIS ADDRESS LOCATED WITHIN THE CORPORATE LIMITS OF THE TOWN OF CARRBORO?** Just outside ☹

When I first moved to this area from New York City in 2006, I moved to Carrboro and lived in Carrboro until 2008 when I moved (for financial reasons) to an apartment off of Jones Ferry Road. Originally, I thought I was still in Carrboro, but I do have a Chapel Hill address. I am just outside the Carrboro Town limits just passed University Lake. I have to go through Carrboro to even get to Chapel Hill. I align myself with the Carrboro community as I was a part of the community since I moved back to North Carolina. It literally breaks my heart that I am not *technically* a Carrboro resident anymore ☹ I even have a bumper sticker on my car that says "***I'd Rather Be in Carrboro.***" I hope the Board of Alderman would still view me as a Carrboro resident and accept me to the Art Committee.

SUMMARY OF APPLICATIONS FOR THE PLANNING BOARD

2/25/2009 Matthew Barton, PB Chair

Overview

There are 4 applicants for the one open in-town position, of whom only one candidate showed what I consider serious current interest in the PB and engagement in town issues, which I consider a useful guide as to whether they will productively participate in the work we do. This does not leave much room for discussion of issues of geographic/socio-economic/other diversity. The candidate pool itself does not provide any ethnic or gender diversity. The BoA might consider either selecting the interested candidate, or re-advertising the opening.

DetailsCandidate's Name: David ShoupDate of Application: March, 2004Address: 605 Lake Hogan Rd. 27516Length of residence in Carrboro/NSA: unknown; at least 5 yrsOccupation: Management

Candidate Summary: Pharmaceutical Product Team Leader. As parent of young children he is active in scouting & sports coaching.

Contact/Level of interest

Carnahan interviewed Mr. Shoup in 2005 and found him to be highly motivated by changes taking place in the NSA to become involved in town planning decisions. At that time the Planning Board Chairman was empowered to make recommendations to the BofA and Mr Shoup was third on a list that included Lydia Lavelle and Rich Bell, who were the 2 ultimately recommended for the 2 open seats.

Barton has spoken recently with Mr. Shoup, and Mr. Shoup confirmed that he is still interested in serving. Mr. Shoup shows great interest and some knowledge of a mix of town issues including need for economic development of commercial tax base, walkable community, school districting, connectivity. He is very concerned about the interaction of vehicular connectivity with ped/bike safety. He stated that he personally got involved in trying to better organize the information and process used in the last school redistricting.

Geography/Diversity/Other

Would fill in a geographic gap in the northern area. See map. No particularly relevant technical expertise, but would bring personal experience, enthusiasm and good personal interaction/discussion skills to the board.

Candidate's Name: Geoff GislerDate of Application: 1/19/2009Address: 108B Old Pittsboro Rd. 27510Length of residence in Carrboro: 2 & ½ yrsOccupation: Attorney

Candidate Summary: Has undergraduate degree in Ecology & practices environmental law. Coaches baseball for Parks & Rec; tutor w/Orange County Literacy Council; member, NC Bar Association.

Contact/Level of interest

Has not previously been on a Carrboro advisory board. Attended a PB meeting. When phone-interviewed, showed no enthusiasm or specific knowledge for any particular issue. Gisler stated he has not gotten involved in advocating or policy-making for any local issues, but has a desire to contribute to town.

Lists Environmental Advisory Board as first choice, Planning Board second.

Candidate Summary: Currently a grad student at UNC Department of City & Regional Planning, specializing in Transportation Planning, focusing on pedestrian accessibility issues. Also has background in psychology and experience in multidisciplinary consultation, treatment planning & psychology report writing. Is a member of NC chapter of the American Planning Association.

---

Candidate's Name: William L. Madden

Date of Application: 11/11/08

Address: 124 Fidelity St. 27510

Length of residence in Carrboro: 16 yrs

Occupation: Soccer Referee

Candidate Summary: In addition to experience as professional Soccer Referee, has worked as Realtor. Former member of Chapel Hill/Carrboro Jaycees, former volunteer instructor of Standard First Aid & CPR for Orange County Chapter of American Red Cross.

Contact/Level of interest

Mr. Madden has attended numerous meetings of the Planning Board over the past 4 years. Carnahan interviewed him last fall and found him to be highly knowledgeable about the town & planning issues, and very interested in serving on the Planning Board.

Barton made total of 3 attempts to contact by phone in the evening, leaving messages, Madden returned one call when Barton was unavailable, and did not return the subsequent call. The BoA only gave Barton 8 days to complete the review process, and perhaps this is a contributing factor.
