PURPOSE

The Board of Aldermen is requested to consider adopting revisions to the town's water conservation restrictions. These changes were requested by the OWASA Board of Directors.

INFORMATION

The OWASA Board of Directors adopted changes in their water conservation standards on March 26, 2009. OWASA has requested that the Orange County Board of Commissioners, Town of Carrboro and Town of Chapel Hill revise their water conservation ordinance to reflect the revised water conservation standards.

The Town Attorney has revised the Chapter 5 of the Town Code to incorporate the revised water conservation standards.

FISCAL AND STAFF IMPACT

None

RECOMMENDATION

The town staff recommends approval of the attached ordinance amending Article III of the Town Code.
