SUMMARY OF APPLICATIONS

Candidate's Name: Robin Michler Date of Application: 1/25/09

Candidate Summary:

Excellent background for transportation studies. Has professional experience evaluating traffic and transportation, both here and abroad. We reviewed Robin very positively early this year. Unfortunately he was unsure about the amount of time he might be in the community after completing his degree in the UNC, so he removed his application. He has asked to be considered now to complete the term left by former TAB member Katie Schwing (she left the area this summer).
