

A RESOLUTION ON PEDESTRIAN AND BICYCLE ACCESS ALTERNATIVES IN
THE ESTES DRIVE AREA
RESOLUTION NO. 24/2010-11

WHEREAS, Estes Drive has been identified as an important corridor for pedestrian and bicycle improvements in Carrboro; and

WHEREAS, the Board of Aldermen has directed staff to prepare a report and hold community meetings regarding several potential pedestrian and bicycle access improvement alternatives; and

WHEREAS, the Board received the report on January 12, 2010, and a community meeting was held on May 3, 2010; and

WHEREAS, a second community meeting has not yet occurred;

NOW, THEREFORE BE IT RESOLVED by the Carrboro Board of Aldermen that the Board of Aldermen:

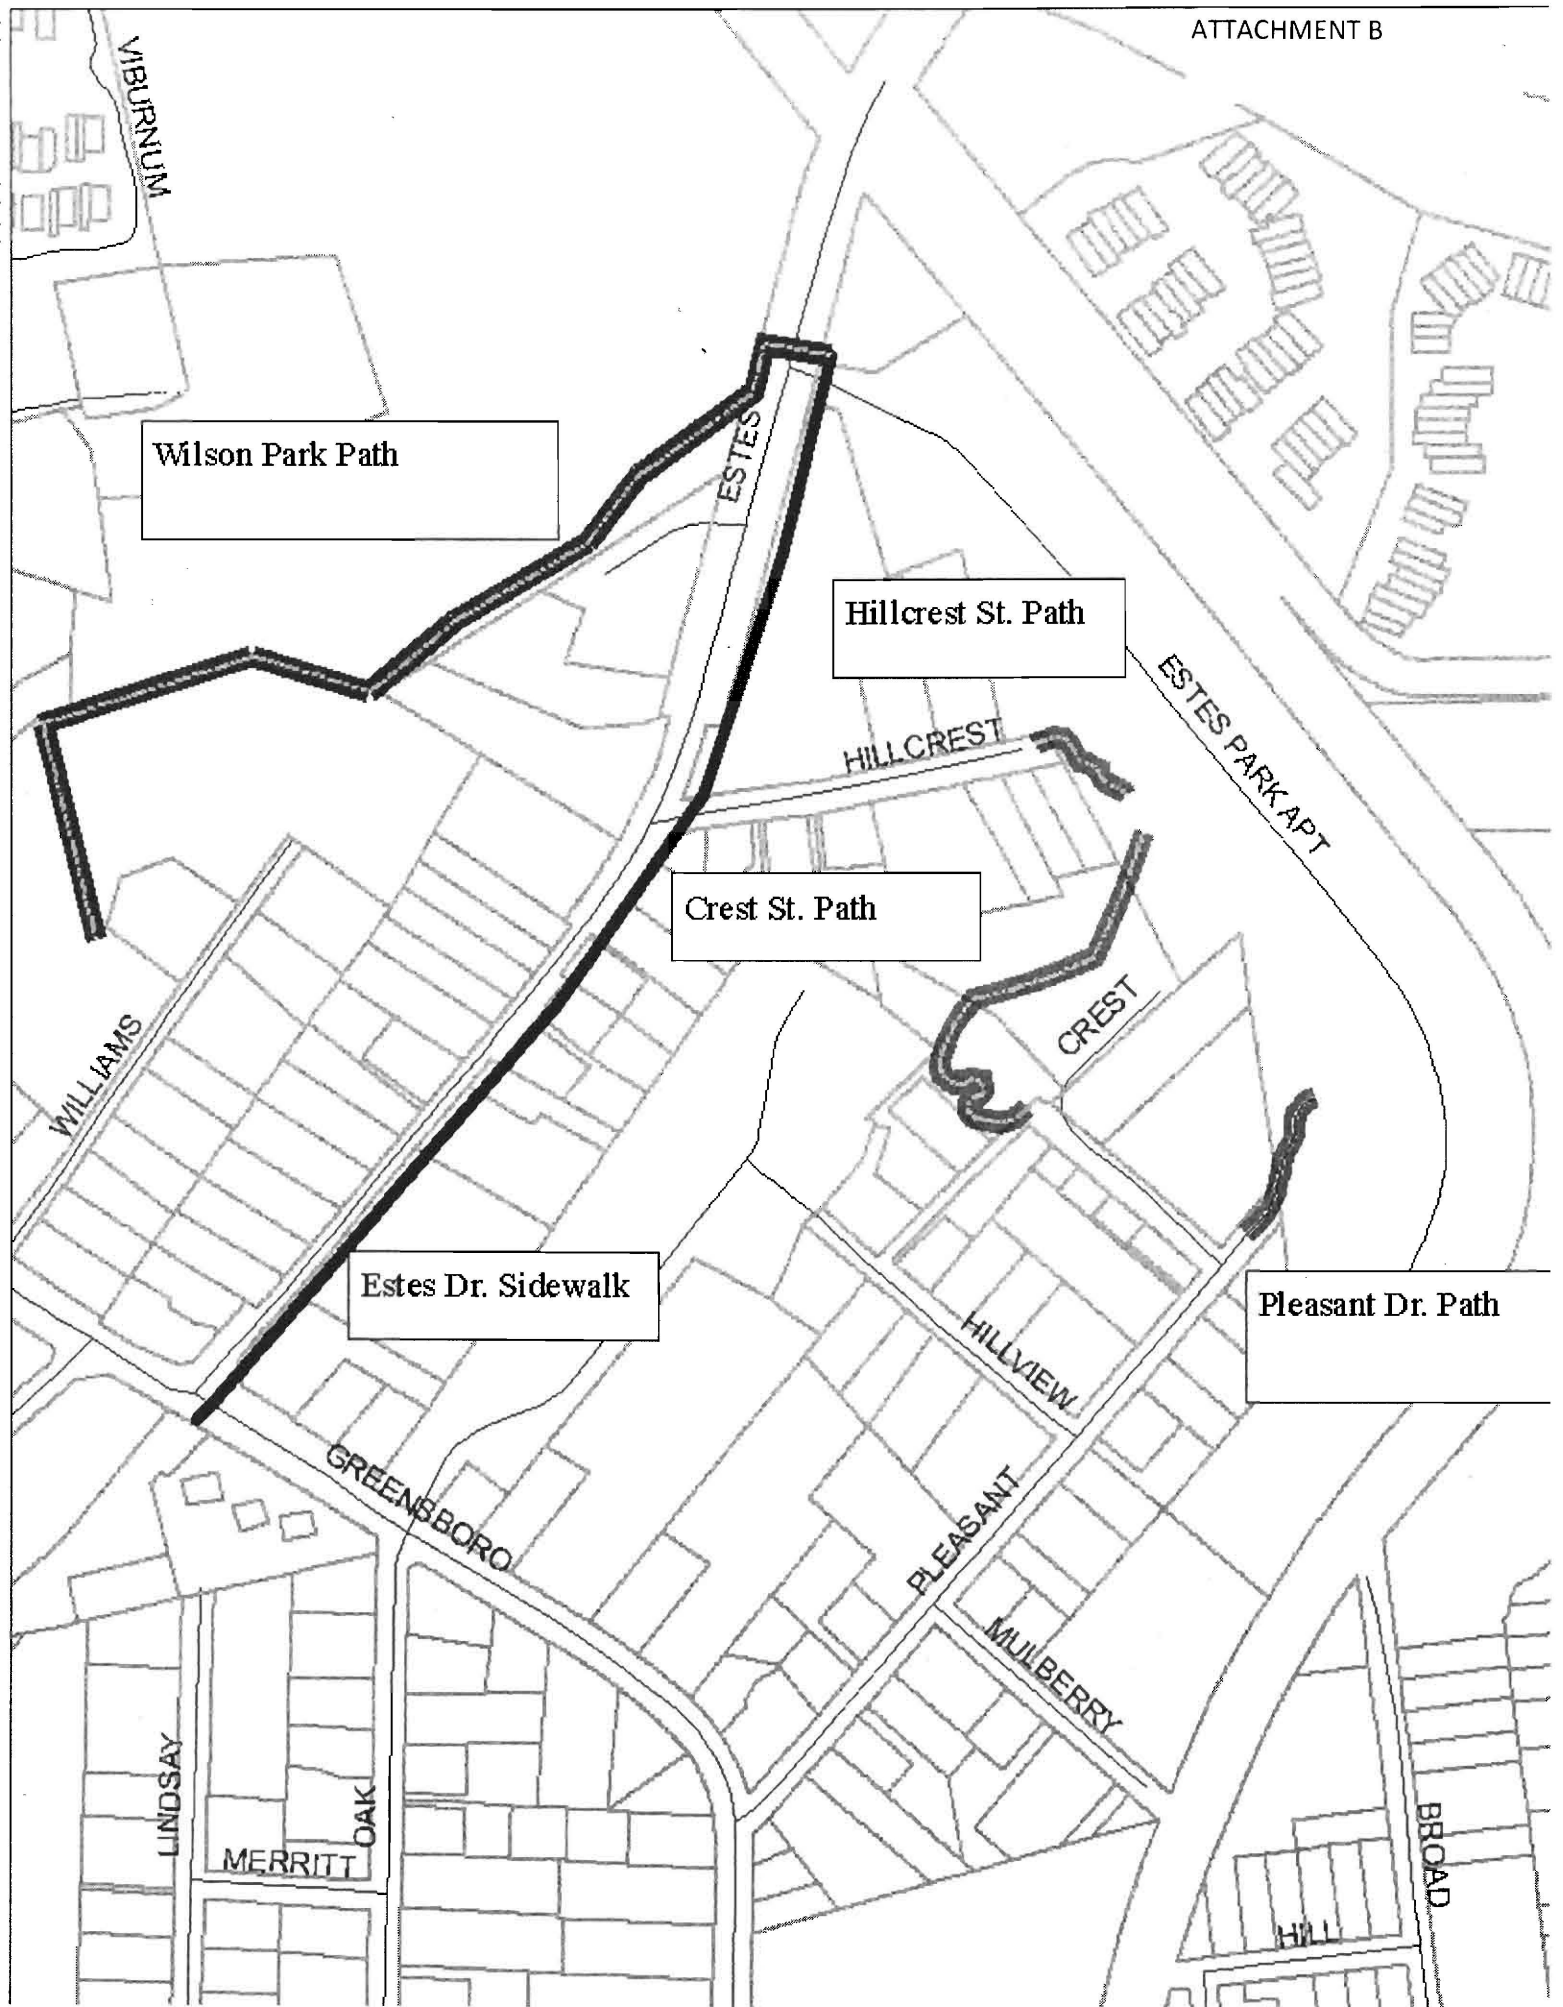

1. Receives public comments on pedestrian and bicycle access alternatives in the Estes Drive area, close the public hearing and direct staff as follows:

or

2. Receives public comments on pedestrian and bicycle access alternatives in the Estes Drive area, continues the public hearing to _____, and directs staff to continue to pursue a second community meeting.
