INFORMATION

In previous years, the Board of Aldermen has developed a package of legislative issues to discuss with the delegation. Occasionally, this package has included a piece of local legislation that the Board of Alderman would like to get passed.

Mayor Chilton requested information related to the City of Durham's work with ABC permits. Staff has attached information related to that program.

FISCAL AND STAFF IMPACT

None.

RECOMMENDATION

Town staff recommend that the Board of Aldermen discuss and settle on a list of legislative issues/priorities to discuss with our local delegation and, in some cases, to propose as local legislation in the upcoming session of the General Assembly.
