

**A RESOLUTION AWARDING THE CONTRACT FOR THE FY 2010-11 AUDIT
Draft Resolution No. 105/2010-2011**

BE IT RESOLVED BY THE BOARD OF ALDERMEN OF THE TOWN OF CARRBORO
THAT:

Section 1. The audit contract for the fiscal year ending June 30, 2011 is awarded to Dixon Hughes Goodman LLP for a total cost of \$50,000.

Section 2. The Mayor is authorized to sign the Audit Contract required by the Local Government Commission and Dixon Hughes Goodman LLP Letter of Engagement.

Section 3. This resolution shall become effective upon adoption.

LGC-205 (Rev. 2010)

CONTRACT TO AUDIT ACCOUNTS

File in Triplicate.

of Town of Carrboro, North Carolina
Governmental UnitOn this 29th day of April, 2010, Dixon Hughes Goodman LLP
Auditor1829 Eastchester Drive, High Point, North Carolina 27265

Mailing Address

, hereinafter referred to as

the Auditor, and the Board of Aldermen of Town of Carrboro, North Carolina, hereinafter referred
Governing Board Governmental Unit
to as the Governmental Unit, agree as follows:

1. The Auditor shall audit all statements and disclosures required by generally accepted accounting principles and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit for the period beginning July 1, 2010, and ending June 30, 2011. The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion will be rendered in relation to (as applicable) the governmental activities, the business-type activities, the aggregate discretely presented component units, each major governmental and enterprise fund, and the aggregate remaining fund information (nonmajor government and enterprise funds, the internal service fund type, and the fiduciary fund types).
2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with generally accepted auditing standards. The Auditor shall perform the audit in accordance with Government Auditing Standards if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by OMB Circular A-133 and the State Single Audit Implementation Act, the auditor shall perform a Single Audit. This audit and all associated workpapers may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the LGC. If the audit and/or workpapers are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners.
3. *This contract contemplates an unqualified opinion being rendered.* If financial statements are not prepared in accordance with generally accepted accounting principles (GAAP), or the statements fail to include all disclosures required by GAAP, explain that departure from GAAP in the space below:
4. *This contract contemplates an unqualified opinion being rendered.* The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. *Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.* The audit will have no scope limitations except:
5. If this audit engagement is subject to the standards for audit as defined in Government Auditing Standards, July 2007 revisions, issued by the Comptroller General of the United States, then the Auditor warrants by accepting this engagement that he has met the requirements for a peer review and continuing education as specified in Government Auditing Standards. The Auditor agrees to provide a **copy of their most recent peer review report regardless of the date of the prior peer review report** to the Governmental Unit and the Secretary of the Local Government Commission prior to the execution of the audit contract. (See Item 21.)
6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to the LGC by October 31, 2011. If it becomes necessary to amend the due date of the audit a written explanation of the delay must accompany the amended contract.
7. It is agreed that generally accepted auditing standards include a review of the Governmental Unit's system of internal control and accounting as same relates to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor will make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his findings, together with his recommendations for improvement. That written report must include all matters defined as "significant deficiencies and material weaknesses" in AU 325 of the AICPA Professional Standards. The Auditor shall file a copy of that report with the Secretary of the Local Government Commission.
8. All local government and public authority contracts for annual or special audits, bookkeeping or other assistance necessary to prepare the Unit's records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina require the approval of the Secretary of the Local Government Commission. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit until the invoice has been approved by the Secretary of the Local Government Commission. (This also includes any progress billings.) [G.S. 159-34 and 115C-447] All invoices should be submitted in **triplicate** to the Secretary of the Local Government Commission. The original and one copy will be

Contract to Audit Accounts (cont.) Town of Carrboro, North Carolina
(name of unit)

returned to the Auditor. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.

- 9. In consideration of the satisfactory performance of the provisions of this agreement, the Governmental Unit shall pay to the Auditor, upon approval by the Secretary of the Local Government Commission, the following fee which includes any cost the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (Federal and State grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts:

Year-end bookkeeping assistance – [*For audits subject to Government Auditing Standards, this is limited to bookkeeping services permitted by revised Independence Standards*] N/A

Audit Blended hourly rate of \$137 per hour, estimated to be \$50,000

Preparation of the annual financial statements N/A

- 10. The auditor working with local governmental unit that has outstanding revenue bonds will include in the notes to the audited financial statements, whether or not required by the revenue bond documents, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the auditor should be aware that any other bond compliance statements or additional reports required in the authorizing bond documents need to be submitted to the LGC simultaneously with the local government's audited financial statements unless otherwise specified in the bond documents.
- 11. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, at least, Management's Discussion and Analysis, the financial statements of the governmental unit and all of its component units and notes thereto prepared in accordance with generally accepted accounting principles, combining and supplementary information requested by the client or required for full disclosure under the law, and the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board as soon as practical after the close of the accounting period.
- 12. **The Auditor shall file** with the Local Government Commission two BOUND copies of the report of audit. If reports are received unbound they will **not** be reviewed by the LGC and will be returned to the auditor for binding. In addition, if the North Carolina Office of the State Auditor designates certain programs to be audited as major programs, a turnaround document and a representation letter addressed to the State Auditor shall be submitted to the Local Government Commission. Two bound copies of the report of audit should be submitted if the audit is performed only under the provisions of the State Single Audit Implementation Act or a financial audit is required to be performed in accordance with Government Auditing Standards. Three bound copies of the audit are to be submitted for Councils of Governments. Two bound copies of the audit should be submitted for tax levying Municipalities. Otherwise, one bound copy shall be submitted. Units that operate a 911 fund need to provide an additional copy to the number stated above. Bound copies of the report shall be filed with the Local Government Commission when (or prior to) submitting the invoice for the services rendered. The report of audit, as filed with the Secretary of the Local Government Commission, becomes a matter of public record for inspection and review in the offices of the Secretary by any interested parties. Any subsequent revisions to these reports must be sent to the Secretary of the Local Government Commission. These audited financial statements are used in the preparation of Official Statements for debt offerings (the auditors' opinion is not included), by municipal bond rating services, to fulfill secondary market disclosure requirements of the Securities and Exchange Commission, and other lawful purposes of the government, without subsequent consent of the auditor. If it is determined by the LGC that corrections need to be made to the unit's financial statements they should be provided within three days of notification unless, another time frame is agreed to by the LGC.
- 13. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the Local Government Commission, this agreement may be varied or changed to include the increased time and/or compensation as may be agreed upon by the Governing Board and the Auditor.
- 14. If an approved contract needs to be varied or changed for any reason, the change must be made in writing, signed and dated by all parties and pre-audited if the change includes a change in audit fee. This document and a written explanation of the change must be submitted in triplicate to the Secretary of the Local Government Commission for approval. No change shall be effective unless approved by the Secretary of the Local Government Commission, the Governing Board, and the Auditor.
- 15. Whenever the Auditor uses an engagement letter with the client, Item 16 is to be completed by referencing the engagement letter and attaching a copy of the engagement letter to the contract to incorporate the engagement letter into the contract. In case of conflict between the terms of the engagement letter and the terms of this contract, **the terms of this contract will control**. Engagement letter terms are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 22 of this contract. Engagement letters containing indemnification clauses will not be approved by the Local Government Commission.

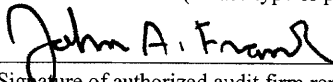

Contract to Audit Accounts (cont.) Town of Carrboro, North Carolina
(name of unit)

- 16. There are no special provisions except:
See attached engagement letter.
- 17. A separate contract should not be made for each division to be audited or report to be submitted. A separate contract must be executed for each component unit which is a local government and for which a separate audit report is issued.
- 18. The contract must be executed, pre-audited, signed by all parties and submitted in triplicate to the Secretary of the Local Government Commission. The mailing address is 325 North Salisbury Street, Raleigh, North Carolina 27603-1385. The physical address is 4505 Fair Meadow Lane, Suite 102, Raleigh, North Carolina 27607-6449.
- 19. The contract is a tri-party agreement and is not valid until it is approved by the Local Government Commission. Upon approval, the original contract will be returned to the Governmental Unit, a copy will be forwarded to the Auditor, and a copy retained by the Secretary of the Local Government Commission. The audit should not be started before the contract is approved.
- 20. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the Local Government Commission.
- 21. If this audit engagement is not subject to Government Auditing Standards, then Item 5 shall be listed as a deleted provision in Item 22. An explanation must be given for deleting this provision.
- 22. All of the above paragraphs are understood and shall apply to this agreement, except the following numbered paragraphs shall be deleted: (See Item 15.)

April 7, 2011

Board of Aldermen
Town of Carrboro
301 West Main Street
Carrboro, North Carolina 27510

We are pleased to confirm our understanding of the services we are to provide the Town of Carrboro, North Carolina for the year ending June 30, 2011. We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information, which collectively comprise the entity's basic financial statements of the Town of Carrboro, North Carolina as of and for the year ending June 30, 2011. Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to accompany the Town of Carrboro, North Carolina's basic financial statements. As part of our engagement, we will apply certain limited procedures to the Town of Carrboro, North Carolina's RSI. These limited procedures will consist principally of inquiries of management regarding the methods of measurement and presentation, which management is responsible for affirming to us in its representation letter. Unless we encounter problems with the presentation of the RSI or with procedures relating to it, we will disclaim an opinion on it. The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

- 1) Management's Discussion and Analysis.
- 2) Required supplementary information.

Supplementary information other than RSI also accompanies the Town of Carrboro, North Carolina's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the basic financial statements and will provide an opinion on it in relation to the financial statements:

- 1) Combining and individual fund financial statements and schedules.
- 2) Schedule of expenditures of federal and state awards.

The following additional information accompanying the basic financial statements will not be subjected to the auditing procedures applied in our audit of the financial statements, and for which our auditor's report will disclaim an opinion.

- 1) Introductory information.
- 2) Statistical data.

Town of Carrboro, North Carolina

Page two

Audit Objectives

The objective of our audit is the expression of opinions as to whether your basic financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the additional information referred to in the first paragraph when considered in relation to the basic financial statements taken as a whole. The objective also includes reporting on -

- Internal control related to the financial statements and compliance with laws, regulations, and the provisions of contracts or grant agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control related to major programs and an opinion (or disclaimer of opinion) on compliance with laws, regulations, and the provisions of contracts or grant agreements that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*.

The reports on internal control and compliance will each include a statement that the report is intended solely for the information and use of management, the body or individuals charged with governance, others within the entity, specific legislative or regulatory bodies, federal awarding agencies, and if applicable, pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

Our audit will be conducted in accordance with U.S. generally accepted auditing standards; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of OMB Circular A-133, and will include tests of accounting records, a determination of major program(s) in accordance with OMB Circular A-133, and other procedures we consider necessary to enable us to express such opinion and to render the required reports. If our opinions on the financial statements or the Single Audit compliance opinions are other than unqualified, we will fully discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or to issue a report as a result of this engagement.

Management Responsibilities

Management is responsible for establishing and maintaining internal controls, including monitoring ongoing activities; for the selection and application of accounting principles; for the fair presentation in the financial statements of the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of Carrboro, North Carolina and the respective changes in financial position and, where applicable, cash flows in conformity with U.S. generally accepted accounting principles; and for federal award program compliance with applicable laws and regulations and the provisions of contracts and grant agreements. Management is responsible for the financial statements and all accompanying information as well as all representations contained therein.

Town of Carrboro, North Carolina
April 7, 2011
Page three

As part of the audit, we will prepare a draft of your financial statements, schedule of expenditures of federal and state awards, and related notes. You are responsible for making any decisions that involve management functions relating to the financial statements, schedule of expenditures of federal and state awards, and related notes and for accepting full responsibility for such decisions. You will be required to acknowledge in the management representation letter that you have reviewed and approved the financial statements, schedule of expenditures of federal and state awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you are required to designate an individual with suitable skill, knowledge, or experience to oversee any nonaudit services we provide and for evaluating the adequacy and results of those services and accepting responsibility for them.

Management is responsible for making all financial records and related information available to us, including identifying significant vendor relationships in which the vendor has responsibility for program compliance and for the accuracy and completeness of that information. Management's responsibilities include adjusting the financial statements to correct material misstatements and for confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements taken as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud or illegal acts affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud or illegal acts could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Additionally, as required by OMB Circular A-133, it is management's responsibility to follow up and take corrective action on reported audit findings and to prepare a summary schedule of prior audit findings and a corrective action plan.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying for us previous audits or other engagements or studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits or other engagements or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. We will plan and perform the audit to obtain reasonable rather than absolute assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to provide reasonable assurance of detecting abuse.

Because an audit is designed to provide reasonable, but not absolute assurance and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or major programs. However, we will inform you of any material errors and any fraudulent financial reporting or misappropriation of assets that come to our attention. We will also inform you of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about the financial statements and related matters.

Audit Procedures - Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by OMB Circular A-133, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to OMB Circular A-133.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and OMB Circular A-133.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Town of Carrboro, North Carolina's compliance with applicable laws and regulations and the provisions of contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Town of Carrboro, North Carolina
April 7, 2011
Page five

OMB Circular A-133 requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with applicable laws and regulations and the provisions of contracts and grant agreements applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Circular A-133 Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the Town of Carrboro, North Carolina's major programs. The purpose of these procedures will be to express an opinion on the Town of Carrboro, North Carolina's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to OMB Circular A-133.

Audit Administration, Fees, and Other

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. We will provide copies of our reports to the Town of Carrboro, North Carolina; however, it is management's responsibility to submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the designated federal clearinghouse and, if appropriate, to pass-through entities. The Data Collection Form and the reporting package must be submitted within the earlier of 30 days after receipt of the auditors' reports or nine months after the end of the audit period, unless a longer period is agreed to in advance by the cognizant or oversight agency for audits. At the conclusion of the engagement, we will provide information to management as to where the reporting packages should be submitted and the number to submit.

The audit documentation for this engagement is the property of Dixon Hughes Goodman LLP and constitutes confidential information. However, pursuant to authority given by law or regulation, we may be requested to make certain audit documentation available to the cognizant agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Dixon Hughes Goodman LLP. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release or for any additional period requested by the Town of Carrboro, North Carolina. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our fee for these services will be a blended hourly rate of \$137, estimated to be \$50,000. Our invoices for these fees will be rendered as work progresses and are payable on presentation. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.

This engagement and any actions that may arise shall be governed by the laws of the state of North Carolina and be brought in the judicial districts in which the North Carolina headquarters of Dixon Hughes Goodman LLP is located.

Town of Carrboro, North Carolina
April 7, 2011

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2008 peer review and letter of comment accompanies this letter.

We appreciate the opportunity to be of service to the Town of Carrboro, North Carolina and believe this letter accurately summarizes the significant terms of our engagement. If you have any questions, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

DIXON HUGHES GOODMAN LLP

John A. Frank, CPA
Partner

To the Members of
Dixon Hughes, PLLC
and the Center for Public Company Audit Firms Peer Review Committee

We have reviewed the system of quality control for the accounting and auditing practice of Dixon Hughes, PLLC (the firm) applicable to non-SEC issuers in effect for the year ended February 29, 2008. The firm's accounting and auditing practice applicable to SEC issuers was not reviewed by us since the Public Company Accounting Oversight Board (PCAOB) is responsible for inspecting that portion of the firm's accounting and auditing practice in accordance with PCAOB requirements. A system of quality control encompasses the firm's organizational structure and the policies adopted and procedures established to provide it with reasonable assurance of complying with professional standards. The elements of quality control are described in the Statements on Quality Control Standards issued by the American Institute of Certified Public Accountants (the AICPA). The design of the system, and compliance with it, are the responsibilities of the firm. Our responsibility is to express an opinion on the design of the system, and the firm's compliance with that system based on our review.

Our review was conducted in accordance with standards established by the Peer Review Committee of the Center for Public Company Audit Firms and included procedures to plan and perform the review that are summarized in the attached description of the peer review process. Our review would not necessarily disclose all weaknesses in the system of quality control or all instances of lack of compliance with it since it was based on selective tests. Because there are inherent limitations in the effectiveness of any system of quality control, departures from the system may occur and not be detected. Also, projection of any evaluation of a system of quality control to future periods is subject to the risk that the system of quality control may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

In our opinion, the system of quality control for the accounting and auditing practice applicable to the non-SEC issuers of Dixon Hughes, PLLC in effect for the year ended February 29, 2008, has been designed to meet the requirements of the quality control standards for an accounting and auditing practice established by the AICPA, and was complied with during the year then ended to provide the firm with reasonable assurance of complying with applicable professional standards.

Baton Rouge, Louisiana

October 3, 2008

Attachment to the Peer Review Report of Dixon Hughes, PLLC
Description of the Peer Review Process

Overview

Firms enrolled in the AICPA Center for Public Company Audit Firms (the Center) Peer Review Program have their system of quality control periodically reviewed by independent peers. These reviews are system and compliance oriented with the objectives of evaluating whether:

The reviewed firm's system of quality control for its accounting and auditing practice applicable to non-SEC issuers has been designed to meet the requirements of the Quality Control Standards established by the AICPA.

The reviewed firm's quality control policies and procedures applicable to non-SEC issuers were being complied with to provide the firm with reasonable assurance of complying with professional standards.

A peer review is based on selective tests and directed at assessing whether the design of and compliance with the firm's system of quality control for its accounting and auditing practice applicable to non-SEC issuers provides the firm with reasonable, not absolute, assurance of complying with professional standards. Consequently a peer review on the firm's system of quality control is not intended to, and does not, provide assurance with respect to any individual engagement conducted by the firm or that none of the financial statements audited by the firm should be restated.

The Center's Peer Review Committee (PRC) establishes and maintains peer review standards. At regular meetings and through report evaluation task forces, the PRC considers each peer review, evaluates the reviewer's competence and performance, and examines every report, letter of comments, and accompanying response from the reviewed firm that states its corrective action plan before the peer review is finalized. The Center's staff plays a key role in overseeing the performance of peer reviews working closely with the peer review teams and the PRC.

Once the PRC accepts the peer review reports, letters of comments, and reviewed firms' responses, these documents are maintained in a file available to the public. In some situations, the public file also includes a signed undertaking by the firm agreeing to specific follow-up action requested by the PRC.

Firms that perform audits or play a substantial role in the audit of one or more SEC issuers, as defined by the Public Company Accounting Oversight Board (PCAOB), are required to be registered with and have their accounting and auditing practice applicable to SEC issuers inspected by the PCAOB. Therefore, we did not review the firm's accounting and auditing practice applicable to SEC issuers.

Planning the Review for the Firm's Accounting and Auditing Practice Applicable to Non-SEC Issuers

To plan the review of Dixon Hughes, PLLC, we obtained an understanding of (1) the nature and extent of the firm's accounting and auditing practice, and (2) the design of the firm's system of quality control sufficient to assess the inherent and control risks implicit in its practice. Inherent risks were assessed by obtaining an understanding of the firm's practice, such as the industries of its clients and other factors of complexity in serving those clients, and the organization of the firm's personnel into practice units. Control risks were assessed by obtaining an understanding of the design of the firm's system of quality control, including its audit methodology, and monitoring procedures. Assessing control risk is the process of evaluating the effectiveness of the reviewed firm's system of quality control in preventing the performance of engagements that do not comply with professional standards.

Performing the Review for the Firm's Accounting and Auditing Practice Applicable to Non-SEC Issuers

Based on our assessment of the combined level of inherent and control risks, we identified practice units and selected engagements within those units to test for compliance with the firm's system of quality control. The engagements selected for review included engagements performed under the Government Auditing Standards, audits performed under FDICIA, and audits of Employee Benefit Plans. The engagements selected for review represented a cross-section of the firm's accounting and auditing practice with emphasis on higher-risk engagements. The engagement reviews included examining working paper files and reports and interviewing engagement personnel.

The scope of the peer review also included examining selected administrative and personnel files to determine compliance with the firm's policies and procedures for the elements of quality control pertaining to independence, integrity, and objectivity; personnel management; and acceptance and continuance of clients and engagements. Prior to concluding the review, we reassessed the adequacy of scope and conducted a meeting with firm management to discuss our findings and recommendations.
