### **PURPOSE**

Town staff has prepared an amendment to the Town Code related to the installation of stop signs on Rossburn Way at the intersection with Palomar Pt., and it is recommended the Board of Aldermen adopt the ordinance amending the Town Code.

### **INFORMATION**

At the regular Board of Aldermen (BOA) meeting on October 18, 2011, the BOA reviewed and discussed a traffic calming request for Rossburn Way. The BOA recommended the implementation of various Stage 1 traffic calming measures as noted in the attached resolution which included the installation of stop signs on Rossburn Way. The most logical location for the placement of stop signs is at the T- intersection with Palomar Pt. which is roughly the mid-point between Culbreth and Bixely. Palomar Pt. already has a stop sign at the intersection with Rossburn which will remain.

### **FISCAL IMPACT**

There is minimal cost and staff time involved with the installation of these two stop signs.

### **STAFF RECOMMENDATION**

Staff recommends that the Board of Aldermen adopt the ordinance amending the Town Code to reflect the installation of stop signs on Rossburn Way at the intersection with Palomar Pt. (Attachment B).
