SUMMARY OF APPLICATIONS

Appearance Commission

(Board)

Candidate's Name: Kim Calandra Date of Application: 7/2/2012

Candidate Summary: The Appearance Commission is appreciative of Ms. Calandra's interest in participating in civic activities such as our commission, but respectfully does not recommend that she be appointed to this advisory board at this time. Our reservation stems primarily from her very limited residency (only 2 months) in Carrboro, Orange Cty., and NC. In Ms. Calandra's application, she stated that her first preferences were Greenways and EAB, two boards in which it seems like her Florida work experience has relevance. Our suggestion is that she become involved in other town activities/groups like Friends of Bolin Breek, Bicycle Coalition, Garden Club, or Carrboro Day while she continues her residency. We would then be happy to consider her for an AC seat.

SUMMARY OF APPLICATIONS

Transportation Advisory Board

(Board)

Candidate's Name: Melissa Kim

Date of Application: 8/19/2012

Candidate Summary: Ms. Kim is currently a graduate student in UNC's Department of City and Regional Planning. She's lived in Carrboro for two months and previously worked for KFH Group, Inc., a transportation consulting firm based in Bethesda, MD for two years. Ms. Kim focused on evaluating bus service alternatives across regions in Maryland and Virginia, and has worked on projects relating to pedestrian environments. Specifically, she's assessed means of accommodating persons with mobility impairments and prioritizing funding for improving project sidewalks, intersections, and curb ramps. Her prior work has afforded her insights into how transit and pedestrian planning can contribute to towns' livability. As a graduate student, Ms. Kim looks to expand her knowledge of local and national transportation planning practices. Considering her prior and currently positive experiences as a pedestrian, cyclist, and transit rider, her professional work as a transportation planner, and her studies at UNC, Ms. Kim believes that she would lend the TAB a worthwhile perspective on transportation in Carrboro. Finally, she's expressed enthusiasm for an opportunity to serve the Town of Carrboro as a member of the TAB.
