INFORMATION

In June 2012, the Carrboro Board of Aldermen approved funding for a Community Outreach program targeting the Day Laborer population. Members of the Board of Aldermen and Town Staff met with representatives from El Centro Hispano, the Human Rights Center and Orange County Justice United to design the attached agreement for services and position description.

FISCAL AND STAFF IMPACT

The adopted FY 2012-2013 Budget includes \$26,000 for Community Outreach services. The initial term of the agreement is January 1, 2013-December 31, 2013, and the agreement may be extended for additional and successive one-year terms unless either party decides to terminate the agreement with 30 days notice.

RECOMMENDATION

Staff recommends that the Board of Aldermen consider approving the attached agreement with El Centro Hispano related to community outreach services in the Day Laborer community.
