He has been a resident of Carrboro for 22 years and is active in the Community especially through his radio show on WCOM (on which he has hosted several Town officials). Tom is a steady voice of concern and reason. He treats every application as an important event no matter if it is a Family Dollar application or a minor construction project that projects 6 inches into a setback. Most importantly, he treats all applicants, Town staff, and fellow Board members with respect and courtesy. Tom has also been an active recruiter to the Board bringing us at least two of our current members. He is an invaluable asset to the Board and to the Citizens of Carrboro. I am sure I speak for all the Board when I recommend his re-appointment without reservation.
